Raymond D. Fuller, M.D.
General Surgery

611 Fulton Street, Suite C
Port Clinton, Ohio 43452
PH: 419-732-6500
FAX: 419-732-1512

GENERAL INSTRUCTIONS FOR YOUR SURGERY/PROCEDURE

Your procedure time will be given to you by the surgery department either at your pre-admission testing appointment, or by phone call the day prior to your scheduled procedure. If your procedure is on a Monday, you will get a phone call the Friday before your procedure.

Pre-admission testing, if required, is performed at Magruder Hospital on the 2nd Floor Surgery Department. Enter through the Surgery Entrance located at the Main Entrance on Fulton Street.

_X_ Review medication instructions

_X_ Review bathing instructions

_X_ Nothing to eat or drink after midnight

_X_ Unable to drive after Surgery/Procedure

BATHING INSTRUCTIONS

It is important that your skin is as free of germs as possible before the procedure. You can reduce the number of germs on your skin by following the instructions below:

Shower/Bathe the night before AND the morning of surgery. Wash your body with an antiseptic soap (such as Dial), paying special attention to the area of your body where your surgery will be performed.

When showering wash your hair first with your normal shampoo and rinse thoroughly to eliminate any residue, then wash your body with the antiseptic soap and rinse completely.

Dry yourself with a clean, soft towel, and wear clean comfortable clothing.

***If your procedure requires using Hibiclens soap, the instructions and soap will be given to you at your pretesting appointment.**
